COMPLAINT

Dear Ms. Stevenson:

Complainant seeks an immediate investigation into Todd Watson's failure to comply with basic disclosure requirements mandated by the Federal Election Campaign Act of 1971 (as amended) which require that he file a Statement of Candidacy or written disclosure with the same information to the Federal Election Commission.

Public records show, and an investigation will confirm, that Todd Watson is a candidate under 11 CFR 100.3 and has failed to file a Statement of Candidacy with the Federal Election Commission in violation of 11 CFR §101.1(a) and 11 CFR §102.12(a).

A. FACTS

On November 21st, 2017 at 6:00pm, Todd Watson announced his candidacy for U.S. Senate on a Facebook live page with the words "Watson for Senate" at the top of the page.¹ On the site, Watson is quoted as saying, "Why we're all here is, we're announcing our candidacy to be the Republican candidate to replace Senator Deb Fischer here in 2018."² Additionally, Watson uses the Twitter handle "WatsonForSenate."³ Watson's Twitter page describes him as a 2018 Republican Candidate for U.S. Senate.⁴ Watson has a campaign website where he solicits donations. This website states that he is running for US Senate.⁵

Watson for Senate made the following expenditures in 2017⁶:

\$1,925.00 for a radio advertisement on KLIN in Nebraska running from 11/21/17 to 12/13/17;

\$1,480.00 for a radio advertisement on KRVN running from 11/22/17 to 12/7/17;

¹ <https://www.facebook.com/WatsonforSenate1776/videos/1835513733144647/> (accessed December 11, 2017).

² *Id.* at 1:00 – 1:15.

⁴ <https://twitter.com/watsonforsenate?lang=en>.

⁵ <http://www.watson1776.com/> (accessed December 7, 2017).

⁶ Exhibit C.

\$882.00 for a radio advertisement on KTIC running from 11/22/17 to 12/07/17;

\$769.90 for a radio advertisement on KNEB running from 11/22/17 to 12/07/17; and

\$780.00 for a radio advertisement on KAWL running from 11/22/17 to 12/07/17.

In total, Watson for Senate spent at least \$5,836.90 on radio advertisements in 2017.⁷ All of these advertisements were made public on or after the date that Watson announced his candidacy online. The broadcast documentation for all of these advertisements lists "Watson for Senate" as the advertiser.⁸ Watson for Senate has not disclosed any additional spending, so while it is clear that the campaign has spent more than \$5,000, it is unclear what additional expenditures have been made.

A public records search indicates that, as of December 12, 2017, Watson had not filed a Statement of Candidacy or sent the required written disclosure information to the Federal Election Commission. Interestingly enough, Watson has previously been a candidate for U.S. Senate, terminating the past committee on November 26th, 2014.⁹

B. LEGAL ARGUMENT

Federal law requires that a candidate designate a principal campaign committee within fifteen days of becoming a candidate as defined by 11 CFR §100.3.¹⁰ The candidate must designate a principal campaign committee by filing a Statement of Candidacy on FEC Form 2 or by filing a letter containing the same information.¹¹ Any individual who seeks nomination for election to federal office and has received contributions or made expenditures in excess of \$5,000 on election-related activity is a candidate.¹²

Watson is a candidate under 11 CFR §100.3. Watson's expenditures exceed \$5,000¹³ and he refers to himself as a candidate for federal office on his campaign website, on his campaign Facebook page,¹⁴ and on his Twitter page.¹⁵ Watson's expenditures exceeded \$5,000 no later than November 22, 2017. As a candidate Watson was required to file the Statement of

¹⁰ 11 CFR §101.1(a).

¹¹ *Id.*

¹² 11 CFR §100.3; It should also be noted that Watson may not claim a "testing-the-waters" exemption from reporting requirements. *See* AO 2015-09 (Senate Majority PAC and House Majority PAC) ("the testing-the-waters exemption does not apply "to individuals who have decided to become candidates" 11 C.F.R. §§ 100.72(b), 100.131(b); see also Advisory Opinion 1981-32 (Askew) at 4 (explaining that regulation distinguishes "activities directed to an evaluation of the feasibility of one's candidacy . . . from conduct signifying that a private decision to become a candidate has been made").

¹³ Exhibit C.

¹⁴ Exhibit B.

¹⁵ Exhibit A.

Candidacy or written disclosure within fifteen days of this date.¹⁶ A Statement of Candidacy was not filed by December 7, 2017, fifteen days after the expenditures exceeded the threshold amount triggering the requirement.

Watson is a candidate and failed to file the required disclosure within the statutory period. Accordingly, the Commission should find that Watson violated 11 CFR §100.3 and should impose a civil money penalty on Watson for Senate pursuant to 11 CFR §111.43, along with other penalties that the Commission finds appropriate.

C. CONCLUSION

Based on the available information, Watson violated federal campaign finance law by failing to file the required Statement of Candidacy within the required time. We respectfully request that the Commission conduct an expedited investigation into this violation of federal campaign finance law and impose any and all penalties warranted by the violation, or as otherwise deemed necessary by the Commission.

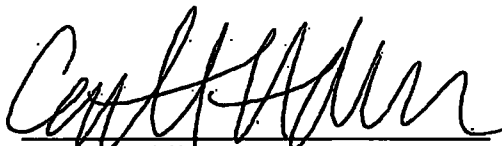

Respectfully submitted,

John Paul Sabby

¹⁶ 11 CFR §102.12(a) ("Each candidate for Federal office shall designate in writing a political committee to serve as his or her principal campaign committee in accordance with 11 CFR 101.1(a) no later than 15 days after becoming a candidate. Each principal campaign committee shall register, designate a depository and report in accordance with 11 CFR parts 102, 103, and 104").

It's time...time to hold DC accountable. Time to utilize primary elections as #TermLimits! Senator Deb Fischer has made her choice, and she has sided with the Washington elite over her constituents. I want to thank the Sarpy County Chamber of Commerce for the invite to their government affairs meeting tonight. I talked for 5 minutes and listened for 45...the ratio it should be. Thank you for sharing your perspectives State Senator Sue Crawford, Mayor David P. Gerry Mattson I've always been a fan of that ratio as well. When Scott Walker went to GWU he gave roughly a 20 minute lecture and had an hour Q/A. It's a sign of respect in my opinion to value the questions and thoughts of others more than your own desire to be heard.

I'm sorry Senator Deb Fischer and her staff are forced to deal with this. Let's pray the LPD catches these people...quickly. Americans have a right to "PEACEABLY" protest. Keyword "PEACEABLY". Our team sends out our prayers to the staff. It is tough to show up to work and not be intimidated by potential hooligans next door (we know...we've been there). These acts just show how extreme a select few have become. There is no room for this behavior in a free society. #Youarehurtingyourowncause

Republican US Senate Candidate Todd Watson Urging US Senate to Pass Tax Reform

We have developed both the House and Senate tax plans. We can see the calculations on the working paper making \$300 a year, the median household segment making \$300 a year (the group that needs to win the war) and the wealthy earning over \$3000 a year. As working Americans win in this program, The largest proponent of cut in the overall tax bill is going to be the middle class in most countries. Unfortunately, the Senate is clinging to Tax Reform for two major reasons. First, the votes needed to pass are five. That gives each Senator more power. They are not using that power for good. The McGovern Leadership Team believes that here in Washington campaign the Senator Fischer's are trying to win because they are the bill to elect this Year vote. I fully support the Administration and the Members of the House who are working up to the Senate to keep simplicity and compact out of the tax code. It is the result of the failure of the Senate to keep the House's plan. The House has a plan on the deficit. I have many concerns about the deficit as well. However, the deficit is a spending problem, not a Tax problem. The function of the Senate is to control the purse. This is a major reason why I'm running to represent Senator Fischer. Whether or not Senators predicted the pace from the expensive spending bill would make these cuts acceptable to the deficit levels future generations will inherit. Furthermore, they have endangered much-needed infrastructure improvements on the notion that will further add to the debt. A failure to cut wasteful spending in the first budget is more than the much-needed updates on tax reform and infrastructure and a big debate and could have been prevented by a Senator with vision and a leadership team. Todd has experienced an unbelievable start to his campaign. In just 7 days time, Victoria, who ran as an independent in 2014 for US Senate, had over 17,000 views of his Facebook campaign announcement and over 100,000 visits to his page in the first week. "It's been fantastic," said Watson. "There is a real blessing in Melbourne. We have attracted the early adopters that have the skills of the online world. Informing Victoria's Facebook page
